Filed: Herewith

For: ELECTRIC BALANCE FOR CORRECTING MISLOADING THEREOF

PRELIMINARY AMENDMENT

Commissioner for Patents
Washington, D.C. 20231

Sir:

Prior to examination, please amend the above-identified application as follows:

IN THE CLAIMS:

Please add the following new claims:

2. (New) An electronic balance for mixing a plurality of components according to a formula, comprising:

a weighing container, which receives the components to be mixed;

an electronic evaluation unit, including a recalculation mode for calculation of a quantity to be added for a component in the formula based on an overfill of a quantity of another component in the formula;

a display that displays a value of a quantity of a component presently added to the weighing container; and
